### Spay/Neuter Fund

Monies in this fund are used to provide free spay/neuter certificates to Brown County residents. Spaying and neutering is the best way to reduce the pet overpopulation problem in our county. If you'd like to help reduce our euthanasia rate, please donate to this fund.

Please apply my donation of \$\_\_\_\_\_ towards the BCHS Spay/Neuter Fund.

### Sponsor-a-Pet

Want to help a homeless cat or dog without adding to your menagerie at home? Our new Sponsor-a-Pet program gives you a chance to do so. For a donation of \$30, you can sponsor a specific dog or cat kennel at the shelter for a month. Your name will be displayed on the kennel and your contribution will go to feeding and caring for the homeless pet it houses.

Please apply my donation of \$\_\_\_\_\_ to sponsor a dog / cat (circle one).
