

# 2019 Annual Report

Dear Friends,

2019 was a whirlwind of activity. Thanks to you, the BCHS once again was able to achieve a 98% save rate for the dogs and cats we served. In addition, over 700 spay/neuter surgeries were provided for community pets. And most exciting, a capital campaign for a new shelter raised over \$3 million! All of this was only possible with your generosity. The compassion of our supporters continues to amaze me. There is no challenge you are not able to meet!

Your support allowed us to serve nearly 725 animals last year. Whether it was finding them their new home or reuniting them with their loving family, every animal that came to the shelter was given the best care possible.

2020 is going to be another busy year and I cannot wait! Construction will begin on the new shelter that is so desperately needed for our community. In this new building, we will be able to provide a better quality of life for not only the animals, but the staff, volunteers, and visitors as well. Be sure to visit [www.unleashbc.com](http://www.unleashbc.com) throughout the year to see updates on this exciting project.

Indeed, none of these amazing accomplishments would be possible without the generous support of donors just like you. From the bottom of my heart, thank you for saving the lives of so many animals in our community and beyond.
