OUR MISSION

The Brown County Humane Society (BCHS) is a community resource dedicated to promoting animal welfare. We provide temporary shelter to pets in need and promote adoption into permanent, loving homes. We support spaying and neutering to eliminate pet overpopulation. We advocate for compassionate care and respect for animals through public education.

OUR VISION

A community where all animals are valued and treated with respect.

Our organization was founded in 1966, with our newest facility having opened in June, 2021.
